Exhibit Booth Design

Please note the following in regards to your exhibit booth design:

- Exhibit booth spaces include floor covering and booth structure, for all non-island exhibit spaces
- Island exhibit spaces are required to provide their own floor covering and booth structure
- Exhibiting Companies must indicate if they are providing their own floor covering and booth structure
- Pop-Up booths will still require the use of rigid or hard-wall back wall in the booth design
- Exposed unfinished sides of the exhibit must be covered to present an attractive appearance
- **Booth designs are due to ISAKOS for approval by April 1, 2015**

Installation of Exhibits

Refer to the target move-in information located under Shipping and Material Handling section of this Exhibitor Service Manual for your target move-in date and time. On Saturday, June 6, all booths must be set by 17:00; exhibitors will be allowed to work in their booths until 21:00. Exhibitors that require additional time beyond the above schedule must send their request in writing to the ISAKOS Exhibits Manager by May 1, 2015.

Dismantling of Exhibits

The return of empty crates, containers and cartons could take up to 8 to 10 hours after the close of the show. Please plan your departure schedule accordingly.
